

2021 Form 1040

U.S. Individual Income Tax Return

Department of the Treasury - Internal Revenue Service

This is a sample PDF file for demonstration purposes only.

In a real implementation, this would be the actual 2021 Form 1040.

Line 30 is where the Recovery Rebate Credit would be entered.

Recovery Rebate Credit Information:

The Recovery Rebate Credit is related to the third Economic Impact Payment issued in 2021. If you didn't receive the full amount you were eligible for, you can claim the difference as a credit on your 2021 tax return.
